Order Processing

Jobsite Direct

Diamond has the ability to provide store direct or jobsite deliveries for stock kitchen cabinets at Lowe’s.

Lowe’s stores need to coordinate any store direct or jobsite delivery orders with their Inventory Fulfillment team. This team will manually place the PO and work with Lowe’s Transportation and Diamond teams to complete the order and delivery to either the store or the jobsite. If the store places the order themselves, Lowe’s system will not ship the order as a direct delivery and will instead flow the product as if it is normal replenishment through their RDC to the store.

Please work with your Inventory Fulfillment team/partner for these requests.

Requirements:

- Lowe’s Item Number and Quantity being ordered
- Desired timeline
- Jobsite Delivery Address (if this is a jobsite order)
- Jobsite Contact email and phone number (if this is a jobsite order)

- Typically an order will need to be at least 150 cabinets to qualify for a direct truck
- MBCI Delivery guidelines:
  - Product will be palletized
  - The carrier will notify the jobsite contact 24 hours before delivery with more specific delivery information (if this is a jobsite order)
  - A Lowe’s Store Representative must be present at the time of delivery in order to verify quantities and condition. An authorized signature will be required for all deliveries.
  - The jobsite will need to be available to accept the delivery between the hours of 7:00 a.m. and 4:00 p.m. (local time) Monday – Friday
  - The driver is responsible for the load and equipment and will make the final judgment as to the suitability of the route to the jobsite location. Some delivery locations and roads have strict requirements as to the size of equipment allowed into the area. It will be the responsibility of Lowe’s to confirm the Jobsite location is accessible for a 53’ trailer and tractor with sleeper.
  - Carrier’s responsibility will be to tailgate product (product will be brought to the back of the trailer). Lowe’s is responsible for providing adequate help and equipment (including a forklift, if necessary) to unload product within 2 hours of arrival.

## Care & Cleaning

- Do not store panels outside or in direct sunlight.
- Avoid sliding the panels on the outer surface.
- Do not clean in direct sunlight.
- For best results, use a damp, not wet, micro-fiber cloth with 5% mild soap, 95% water.
- Dry thoroughly with a clean micro-fiber cloth.
- Wipe up cooking splashes immediately.

# LIMITED LIFETIME WARRANTY

**Lifetime Limited Warranty.** Diamond Now warrants to the original consumer purchaser, for as long as they own their homes, that Diamond Now cabinetry, hinges, drawer glides, and drawer/door hardware ("Products") shall be free from defects in material and workmanship under normal use. This warranty is only applicable to Products used in residential applications within the United States or Canada and is not transferable to subsequent owners. Original Consumer Purchaser means the person who owns and occupies the home in which the Product is initially installed or purchases the dwelling from the builder/contractor/developer and is the first occupant of that dwelling.

**What This Warranty Does Not Cover**

The Limited Warranty does not apply to Product: (i) installed outdoors; (ii) used for purposes for which it is not designed or intended by Diamond Now; (iii) which has been subjected to misuse, vandalism, abuse, negligence, or accident; (iv) which has been improperly stored (if Product must be stored, it should be covered and stored in a humidity/temperature controlled environment away from direct sunlight); (v) which has been improperly installed, cleaned, or maintained; (vi) which has been subjected to improper temperature and/or humidity extremes (temperature outside the range of 50-85°F, humidity outside the range of 30-55%); (viii) fire, flood, and acts of God; (ix) exhibiting normal wear and tear; and (x) not purchased in, or installed in, the United States or Canada.

In addition, natural woods may vary in color and characteristics and exhibit subtle changes as they age. For example, painted doors, drawer fronts, and face frames may eventually have visible cracking around the joint area, and cabinet colors may be darker or lighten over time. Sunlight, smoke, and other environmental conditions may also affect the color and integrity of the Product finish or appearance over time. These variations are considered to be the nature of the material in relation to their environmental exposure and are not covered under this Limited Warranty. Certain household cleaners and other substances may also affect the color and integrity of the Product's finish or appearance over time. Avoid using abrasive cleaners, cleaners that contain chlorine, acidic cleaners, scuffing sponges or steel wool because they may scratch and affect the color or finish of the Products. Any such effects on the color and/or integrity of the finish or appearance over time are not covered by this Limited Warranty.

**Warranty Holder's Sole and Exclusive Remedy Under This Limited Warranty**

In the event of non-conformity in workmanship or materials in one or more components of the Product, Diamond Now's sole obligation is, at its sole option, to repair or replace any non-conforming component. This is the warranty holder's sole and exclusive remedy for the Product under this Limited Warranty. By way of example but not limitation, the following costs and expenses are not covered by this Limited Warranty: (i) labor costs for the removal, or reinstallation of the Product, or non-conforming part thereof; (ii) labor costs or material charges for the removal, reinstallation, refinishing of other items or building materials (such as, but not limited to, counters, sinks, tiles, flooring, or plumbing fixtures) which must be removed, replaced, reinstalled, or refinished in order to repair or replace the non-conforming Product. When a claim or warpage/joint separation/wood growth is submitted, Diamond Now may, at its sole option and after inspection, defer action for 12 months to allow the Product to acclimate to the installed environment.

The repair or replacement obligations under this Limited Warranty are contingent upon the current Product offerings of styles and construction options within the Diamond Now Product line at the time of the warranty claim. If a warranty claim is filed for an obsolete Product and Diamond Now elects to repair or replace the non-confirming obsolete Product, Diamond Now reserves the right, at its sole option, to honor its repair or replacement obligations under this Limited Warranty by either: 1) replacing the affected component with a new component of the same style or approximate color; or 2) replacing the affected component and any other component(s) to achieve a uniform appearance with a similar and comparable product style or approximate color of the originally purchased style. If components are replaced or repaired, Diamond Now cannot guarantee that the finish and appearance of other Product installed at the premises. This is due to the changes that occur during the cabinetry woods' natural aging process, affecting its color and grain.

**DISCLAIMER OF WARRANTIES**

THE FOREGOING LIMITED WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES NOT EXPRESSLY SET FORTH HEREIN, WHETHER EXPRESS OR IMPLIED, BY OPERATION OF LAW OR OTHERWISE, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. TO THE EXTENT THAT ANY IMPLIED WARRANTIES MAY NONETHELESS EXIST BY OPERATION OF LAW. SOME STATES, PROVINCES, OR TERRITORIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS. SO THE ABOVE LIMITATIONS MAY NOT APPLY TO YOU. SOME STATES, PROVINCES, OR TERRITORIES DO NOT ALLOW THE EXCLUSIONS OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES. SO THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO YOU. THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS AND YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM STATE TO STATE, PROVINCE TO PROVINCE, OR TERRITORY TO TERRITORY. EVEN IF THIS LIMITED WARRANTY IS DEEMED TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. IN NO EVENT WILL KITCHEN CLASSIC'S ENTIRE LIABILITY EXCEED THE PURCHASE PRICE OF THE PRODUCT WARRANTED HEREUNDER, OR THE NON-CONFORMING PORTION THEREOF, WHICHEVER IS THE LESSER AMOUNT.

**Warranty Claims**

To obtain benefits under this Limited Warranty, contact your authorized Diamond Now dealer or distributor who will arrange for inspection of the Product. A dated sales receipt as proof of purchase is required to obtain benefits from this Limited Warranty. If you have difficulty obtaining assistance, please write to:
